Bio

Elena Bensonoff is an award-winning holistic practitioner, consultant pharmacist and the founder of Wholistic, Inc. As a pioneer in the fields of functional, regenerative and energy medicine, she has been sharing her gift for healing for over 20 years. Using her clinical skills and medical intuition, Elena has been able to support clients in reducing stress, ending digestive issues, overcoming chronic illnesses and more. Elena is the author of *Wholistic Wisdom: Awakening Your Inner Healer*, a #1 Amazon Best Seller in Holistic Medicine, and her expertise has been sought out by and featured on media outlets including *Elephant Journal*, *Mindvalley*, *iHeartRADIO*, *Daily Grind*, *Soulvana* and *NBC News*. She is also a guest instructor at the Omega Institute in Rhinebeck, New York, and board certified as an advanced fellow in anti-aging, functional and regenerative medicine. When she's not combining modern medicine and ancient healing modalities to improve her clients' health, she's spending quality time with her partner, four kids and two dogs.
